Elaine,

Ready for pick up at the front counter of the 9<sup>th</sup> floor Mail/Copy Center after 8:00.

For future reference, our counter hours are 8:00-4:30 and I'm here from 6:00-3:00. If in the future you have other requests (emergency or not), please send them to the R10-Support Services Mail Group. We probably wouldn't have been able to get your print request finished in 2 minutes yesterday, but we'll have a better opportunity to try to get you taken care of in your requested timeframe.

Hello, David,

Will you print for me a copy of the Final EIS on the Cormorant Management Plan, attached as a pdf?

For now, only print the main body of the Final EIS – but not the Appendices. That should help to limit the amount of printing we need to do.

When done, will you call me and I will come to pick up? If it can be done today, that would be fabulous – or by tomorrow I am hoping?

What floor are you on now?

Many thanks to you and all the staff!

Elaine
